Mayor's Message

Welcome to Fall! I love this time of year. This season is sweater weather, visiting pumpkin patches, hayrides, bonfires, and s'mores. As well as a wonderful opportunity to spend quality time with family.

The City of Shively is going through a transformation of change. There were projects on hold due to Covid. However, I am pleased to share that one of the projects consist of renovating our veteran's area in Shively Park. This will allow us to utilize the space for ceremonies and public outings. There are renovations scheduled for the Alex Farnsley golf course club house. We will soon accept reservations to host weddings there next year. I also hope soon you will see murals to reflect the beauty of our wonderful city. Additionally, we are nearing the completion of the Wade-Braden Peace Park, which will be located at Crums Lane and Hartlage. The ribbon cutting is schedule for October 29th at 1:30pm.

The Shively Historical Society would like to thank the residents who shared artifacts and articles regarding our city history. Preserving these items will allow future generations to understand the impact and importance of why history matters. Please know that if you have any suggestions, we are here to listen. As always, be well and stay safe.

Ms. JoAnn Orr

was inducted into the Kentucky Veterans Hall of Fame on August 27, 2022 in Lexington at Griffin Gate Marriott Resort. At the 2022 Induction Ceremony I was recognized for over 15 years of service to the community. I am the Marketing Director of the Sickle Cell Association of Kentuckiana, a retired US Army Master Sergeant

and a tireless volunteer, advocate, and educator for sickle cell patients, the senior population, the homeless, and veterans. I was the only woman inducted in the Class of 2022 and one of only three black women to hold this honor. I am humbled to be honored for doing nothing more than the Lord's work.

During the cold winter months, I would like to have a series of games either in the midday or in the early evening. I will schedule based on your response.

Light food and prizes. This is an opportunity to meet other residents. If you are interested in the following, please respond via email to sharon.baker@shivelyky.gov

1) Bid Whist Card Tournament 2) Bunco Tournament 3) Pokeno Tournament 4) Bridge 5) Pinochle

Are you interested in plans for Shively. If so please complete the survey: <https://tswdesign.mysocialpinpoint.com/plan-for-shively>.

Don't be left out when decisions are being made about your City. Let your voice be heard. Residents, while I did not have a spring beautification a fall contest is a go! Send your pictures from October to November 30th, to sharon.baker@shivelyky.gov.

OCTOBER 21ST NOVEMBER 18TH DECEMBER 16TH January 20, 2023

When large limbs and trees are blown down it is the property owner's responsibility to dispose of them. The only way the Shively Public Works department will pick them up is on your designated yard waste removal day and if they are bundled in 4 foot sections. We will not pick up any wood larger than 6 inches in diameter. You are allowed 8 bags or bundles on each yard waste pick-up day. Please do not place more than the allowed 8 bags or bundles by the road, your neighbors do not want to look at them until the next scheduled pick-up day.

It is that time of year again and leaves are everywhere. It is very important to make sure you are doing your part in keeping all yard debris from impeding water flow. Ditch lines are the property owner's responsibility to clean out and keep clear. We get calls frequently from homeowners wanting us to clean out a neighbor's ditch because it is backing up in their yard. Please be a good neighbor and watch for problem areas, you may be able to help. All ditches, drains and culverts must be free from blockage.

Remember you must bundle up all branches and limbs into 4 foot sections. Yard waste services are suspended January, February, and part of March so plan to get those leaves bagged.

ADDITIONAL INFORMATION IS AVAILABLE BY CALLING YOUR PUBLIC WORKS DEPARTMENT,

Shively Parks Memorial Bench & Tree Program

The City of Shively's memorial bench and tree donation program is a wonderful way to give; your gift will be enjoyed by many in our community and your contribution is a way to enhance the City's park system.

Bench Donations - \$3000.00

This donation will go towards a bench, a memorial plaque, a concrete pad, installation and maintenance.

Tree Donations - \$350.00

All trees conform to city standards for new tree plantings and are planted during normal business hours. In order to preserve the landscape of all parks, no plaques, markers, or signage are installed with the trees.

Process

Upon submittal of your inquiry form, City Park Planning staff will contact you for further coordination prior to payment. Upon approval and payment, your donation bench will be installed in the next available installation window. Installation windows are determined by seasonal variations in workload and weather impacts. The bench donor will be contacted a minimum of 3 days prior to installation. Upon installation, the bench shall vest with the City. Inquiries about the Bench / Tree Donation Program can be made with the City of Shively Public Works or by emailing Jeff.Early@Shivelyky.gov.

Bench & Tree Maintenance

The City will maintain the donated bench or tree for its natural lifetime, estimated to be approximately 15 years. Should vandalism occur, the City will make every effort to make furnishings whole. If the bench becomes too unsafe to sit on or if it is vandalized beyond repair or in a manner that makes it visually unacceptable or it no longer meets City standards, removal of the bench or tree is at the sole discretion of the City. The City may remove, relocate and shall otherwise have sole control over the donated bench.

Please make checks payable to: City of Shively, 3920 Dixie Highway, Shively, KY 40216

POLICE DEPARTMENT

Hello City of Shively residents. My name is Emery Frye. I am the newly appointed Chief of Police for the Shively Police Department. Prior to being promoted to Chief, I held the rank of Major. I started my career with the Shively Police Department in 2008 and have served in many roles within the police department. Each of those roles has given me the opportunity to engage with and serve the citizens of Shively in different ways. I think the key to a successful police department is a healthy relationship between the department and the citizens it serves.

My goal is to have more community involvement as a police department. We have some ideas on what we would like to do as a department to be more involved, but we thought it would be a good idea to get input from you. As a citizen of Shively, what is one thing you would like to see the Shively Police Department do to be more involved in the community? You can respond to this question via email to emery.frye@shivelyky.gov or by calling 502-448-6181 and asking for me.

Also, as a newly promoted Chief I have realized that we as a police department have very little about our history to put on display. I am trying to put a display together to put in our lobby to show citizens and new officers the various badges, patches, uniforms, equipment, etc. that the Shively Police Department has used throughout the years as well as pictures. If you have any of these items or know someone that does and are willing to donate or lend those items to the department so that we can display some of our history, it would be greatly appreciated.

I am honored and look forward to serving each of you in my new role as the Shively Police Chief.

Sincerely,

Colonel Emery Frye

Chief of Police

Shively Police Department

A Guide to

Responsible Pet Ownership

Every pet owner has a duty to make sure their four-legged friend is healthy, happy, and safe by following the Louisville Animal Ordinance. Be a responsible pet owner so our community can be safe for all its citizens.

My pet

- ☐ is up-to-date on vaccinations
- ☐ has an up-to-date pet license
- ☐ always wears a collar and tag with my contact information
- ☐ has been spayed or neutered
- ☐ gets monthly heartworm, flea and tick prevention

I make sure

- ☐ my pet is never left outside without proper shelter, water and food
- ☐ to regularly groom and bathe my pet
- ☐ my pet is leashed when off my property and is not allowed to roam
- ☐ to clean up after my pet in public places
- ☐ My pet is never left unattended inside a parked vehicle in hot weather

*For more information about purchasing or renewing a pet license through Louisville Metro Animal Services, how to get a pet microchipped or to view the Louisville Metro Animal Ordinance, visit <https://louisvilleky.gov/animal-services>.

Meeting dates and times are available on the city web page, <https://shivelyky.gov/events/>. 2022 council meeting dates are: October 3, October 17, November 7, November 21, December 5 and December 19.

CODE ENFORCEMENT TOP 10 + 1 CODE VIOLATIONS

TO REPORT VIOLATIONS OR TO REQUEST MORE INFORMATION CALL CITY HALL
AT 449-5000, code@shivelyky.gov OR VISIT OUR WEBSITE AT WWW.SHIVELYKY.GOV.

Colder weather will be setting in and strong winds will blow leaves into low lying areas. Leaves commonly block storm drains causing water problems all over the city.

All yards in Shively must remove all accumulations of leaves, branches, trash or debris of any kind from ditch lines or be subject to a code violation.

Tree Trimming Etiquette & Your Neighbors: Know Your Rights

Conflicts involving trees and neighbors can usually be avoided if you know your rights and have an understanding with your neighbor. Here, is the most common question most homeowners have when it comes to trimming branches and trees that also belong to their neighbors.

Can I Legally Trim Overhanging Branches from My Neighbors Yard?

Even though a tree may be planted by your neighbors well within their property lines, over time as that tree grows, the branches can extend beyond their property line and into your yard. Even though this may not be a problem initially, it could become a problem if the branches on your side of the property line need trimming for safety issues, are diseased or if they're simply in the way. Discussing your plans with your neighbors can help ensure there is a clear understanding and that you're both satisfied when it comes time to trim the branches. If half of the tree trunk is contained on your property and the other half is on your neighbor's side, you can still trim the branches that hang over into your yard, however you can't cut it down without your neighbor's permission since you share ownership of it.

What Are My Branch/Tree Trimming Rights?

If limbs or branches from your neighbor's trees extend into your property line, you are legally allowed to trim the areas hanging over your property. When trimming them, however, you must stay on your own property. This means you may not go into your neighbor's yard for a better angle when cutting or destroy the tree.
